From T-Vox

The following is a list of surgeons who are known to work (supportively) with Transgender people. Please note that all the links are to external websites that are not within our control and so T-Vox cannot be held responsible for their content.

See <http://transbucket.com> for photos of surgery results and reviews of various surgeons. It's a truly excellent resource. If you've had any kind of transition-related surgery, please contribute to TransBucket!

The Preecha Aesthetic Institute (PAI) in Bangkok was founded in 1999 by Dr Preecha Tiewtranon and is one of the best plastic surgery centres in Asia that focuses on Sex reassignment surgery. All physicians at PAI have been carefully selected and pre-screened for their talent and excellence in their areas of expertise.

As of 2002, Dr Preecha has performed over 2,000 SRS operations. His "Penile Skin Inversion" technique has become a standard practice in international plastic surgery.

<http://www.zundara.com/> is the official Web site of the Preecha Aesthetic Institute. Zundara.com provides online consultation for surgical procedures, handles travel arrangements for patients coming to PAI from abroad, as well as pre and post operation care.

If you are in Vancouver he is the go to guy and one of the best in town. The Staff is super friendly, Ally the doctors assistant as well as the Dr. have excellent bedside manner. He is in high demand and he may run a little late for your appointment but once he sees you you have a 100% of his attention. His surgery results are great to excellent. His Keyhole surgeries are very good to excellent but I believe he offers the other top surgeries as well.

The consultants will schedule all consultations and answer questions. Procedures: Breast augmentation, breast reduction, breast reconstruction, breast lift, tummy tuck, liposuction, sclerotherapy, hair removal, face lift, and surgery of eyes, ears, and nose.

Does top and bottom surgery for FTMs and recently (fall 2002) developed a "new and improved" metaoidioplasty. Prices lower than most. Will do personal consultations only - no online or phone consults. Dr Raphael's license has been suspended before and there have been complaints against him. Everyone I have heard from who had FTM top surgery with him was very pleased both with him as a surgeon and their results. Your mileage may vary.

**Dr Brownstein is retiring at the end of December 2012.** He is training his successor through January 2013. Dr Brownstein has chosen **Dr Curtis Crane** to take over his practice. Dr Crane is a plastic surgeon and a board-certified urologist, and so he will be doing FTM bottom surgery in addition to top surgeries. As of May 2012, it is not known whether Crane will be taking any other insurance than Brownstein does (only Anthem Blue Cross for people in some CA plans). See this three-minute YouTube video (<http://www.youtube.com/watch?v=VZMeEHm7mRk>) for more information directly from Dr Brownstein and Dr Crane.

FTM top surgery using various techniques. MTF breast augmentation and reconstruction and MTF genital surgery. **HIGHLY RECOMMENDED for FTM top surgery.**

By all accounts one of the best FTM top surgeons in North America.

Very good choice if you need to get a double incision or have a larger chest.
